

IIT KANPUR

FACT SHEET FOR EXCHANGE STUDENTS

ABOUT IIT KANPUR

Set up in 1959, IIT Kanpur is one of the premier technical education institutions in India. Since then, the Institute has grown tremendously and now boasts of 16 academic programmes and 6-interdisciplinary programmes. Our globally-acclaimed courses in science, humanities, engineering and management prepare our students for exciting and rewarding careers.

PROGRAMMES OF STUDY

Students can enrol in one or two semesters of study or a double degree if an official agreement has been signed between IIT Kanpur and a partner university.

The complete list of academic programmes on offer at IIT Kanpur can be found at www.iitk.ac.in/doaa/academic-programmes

APPLICATION PROCEDURE

Once the student has been nominated by the home institution, an application form has to be completed by the student and sent along with the CV and the latest transcript of records through the International Office at the home institution.

The application form can be downloaded from www.iitk.ac.in/oir/data/personal_details/ApplicationForm_NonDegree.pdf
