

XTU Fact Sheet

UNIVERSITY INFORMATION

About Xiangtan University

Xiangtan University (XTU) is a comprehensive university selected in the Double First-Class University list, which was founded in 1958. In 1978, the State Council designated XTU as one of the 16 comprehensive National Key Universities in China. In 1981, it became one of the first universities qualified to confer master's degree. In February 2022, XTU was selected as a Double First-Class University under China's initiative to develop world-class universities and disciplines. It is also one of the few Chinese universities listed in THE, USNEWS and other famous world university rankings at the same time.

XTU is committed to providing high-quality education, and currently has one graduate school and 24 colleges/teaching departments, offering 22 professional master's degree categories, 18 first-level discipline doctoral programs, and 33 first-level discipline master's programs. Its academic performance is internationally recognized, with 7 disciplines, including Chemistry, Materials Science, Engineering, Mathematics, Computer Science, Environment/Ecology, and Physics, proudly ranking in the top 1% globally in ESI. There are 41,626 registered students studying in XTU, including 11,000 Doctoral Candidates and Master's Candidates. XTU has 2,079 full-time teachers, and over 89% of the teachers hold professional titles or doctoral degrees. The university is home to one National Center for Applied Mathematics, one National Base for International Science and Technology Cooperation, two National Local Joint Engineering Laboratories, and one National Local Joint Engineering Research Center, among other national key scientific research platforms.

The university is committed to open education and has been selected by the Ministry of Education as a member of international cooperation platforms such as the "China-Africa Universities 100 Cooperation Plan," "China-Africa University Alliance," "Yangtze River-Volga River Universities Alliance," and "Belt and Road" Universities Alliance. It is also a partner of the China-UK University Consortium on Engineering Education and Research. The university has co-established Confucius Institutes with the University of León in Spain and Makerere University in Uganda.

XTU is among the first institutions in Hunan Province qualified to enroll international students. It is a designated host institution for Chinese Government Scholarship students and International Chinese Language Teacher Scholarship students, and is accredited for international student higher education quality. The university has established extensive exchange and cooperation relationships with over 80 universities and research institutions in more than 20 countries and regions, including the United States, the United Kingdom, and Japan. It has launched more than 30 international cooperative training programs and runs a Sino-foreign cooperative education program with the University of León, Spain.

Available Colleges for International Exchange Program

(undergraduate only)

Philosophy and History School	School of Materials Science and Engineering
Business School	College of Chemical Engineering
School of Public Administration	College of Environment and Resource
Faculty of Law	School of Mechanical Engineering & Mechanics
School of Marxism	School of Automation and Electronic Information
College of Literature and Journalism	School of Automation and Electronic Information
Art Institute	School of Computer Science & School of Cyberspace Science
School of Mathematics and Computational Science	College of Civil Engineering.
School of Physics and Optoelectronics	
College of Chemistry	

Available Courses

English-taught courses

2027 Spring Semester Course Schedule for English-taught courses

Code	Course Name	Credit
ETC-27-01-01	Principle of accounting	3
ETC-27-01-02	Studies on the Reform of Chinese State-Owned Enterprises	2
ETC-27-01-03	Investment	3
ETC-27-01-04	Selected Readings of Economics	2

Chinese-taught courses

Exchange students may apply for any major currently offered by Xiangtan University, with the understanding that all courses will be taught in Chinese. Please note that majors in Medicine, Pharmacy, and Nursing are not available. For a complete list of offered majors, please refer to Attachment 1.

Chinese Language Courses

2027 Spring Semester Course Schedule for the Center for Teaching Chinese as a Foreign Language

Code	Course Name	Credit
CLC-27-01-01	Intermediate Comprehensive Chinese II	6
CLC-27-01-02	Intermediate Spoken Chinese II	4
CLC-27-01-03	Intermediate Listening Comprehension II	4
CLC-27-01-04	Intermediate Reading Chinese II	2
CLC-27-01-05	Intermediate Writing Chinese II	2
CLC-27-01-06	Standard HSK Level 4 Coursebook (Part 2)	2
CLC-27-01-07	Standard HSK Level 5 Coursebook (Part 2)	2
CLC-27-01-08	Advanced Comprehensive Chinese II	6
CLC-27-01-09	Standard HSK Level 6 Coursebook (Part 2)	2
CLC-27-01-10	Introduction to China	2

Note: 1 credit corresponds to 16 class hours, with 1 class hour equivalent to 45 minutes.
