APPLICATION PROCESS

The application form is available at isois.ois.muni.cz/application (opened from 1 Mar to 15 Apr for autumn semester and from 1 Mar to 1 Oct for spring semester).

Hint

Within the online application, choose (→) Partner institution cycle (→) choose Country (→) choose Home university (→) choose Home university + MU agreement (→) fill out the application form

MU partner institution is required to send nomination of students within the given application period. Please see the **example** nomination table to be sent by email to hrebeska@czs.muni.cz.

First name	Last name	Email address	Length of study	Major(s)	Level
John	Smith	example@example.cz	Autumn, Spring	Business	Bachelor's

All incoming international students to MU are required to fill out the **online application form**. **No hard copies required.** Masaryk online application form includes an accommodation request, so students **do not need to apply for accommodation** at a dormitory separately. However, students will be informed later on about the accommodation booking deposit payment and room assignment steps (see the administration timeline below).

Documents to be uploaded

Student exchange application must include the following:

- 1) Motivation letter to identify academic goals at Masaryk University
 - 2) Copy of the photo page of the student's passport
 - 3) Confirmation of English proficiency for non-native English speakers (language certificate or confirmation from home institution at B2 level). English native Speakers upload a blank document (MS Word file).
 - 5) List of course choices at Masaryk University
-

Completing the Application

Following are the steps that need to be taken by the student and coordinator in order to complete the student's exchange application:

- 1) Exchange student fills out the MU online application. Its electronic version goes automatically to coordinator's and student's email. Another informative email goes to exchange agreement contact person at MU partner institution.
- 2) Partner institution coordinator either requests above mentioned documents to be provided to him/her by the student and the coordinator uploads them to the database (coordinator receives the link for upload after student fills out the on-line application). Or coordinator gives the responsibility to upload all documents to student (coordinator is given a link to delegate the upload steps after student fills out the online application).
- 3) No matter who uploads the documents to the database, Masaryk University has to find the application files upload completed by given deadlines.

Note: Application documents are not required to be sent by regular post nor by email.

Visa Requirements

The regulations for obtaining visas change sometimes. Embassies in individual countries are given certain leeway in applying them. Students from non-EU countries are required to apply for a student visa. Visa processing takes several weeks (and up to 2 months), it is highly advisable to apply for it immediately (students will receive written confirmation about their acceptance at Masaryk University).

Type of visa: Long-term visa for the purpose of studies

Validity: Up to 12 months

Mobility length: Semester exchange/two semester exchange

All students coming with a visa are required to purchase a health travel insurance plan which complies with the Czech Republic visa requirements. Students will receive further details on the health travel insurance after acceptance at MU. See web pages of [Czech Ministry of Foreign Affairs](#) for more information.
