For a smooth and easy start of your life in Grenoble, we encourage international students to:

- **Get familiar with** the formalities they need to take before starting their studies at GEM (**visas, housing, insurances, etc**). Refer to the guide [“Before your arrival”](#).
- **Follow the newsletters** sent by the International Student Integration “ISI” Service from May onwards (first semester/academic year enrolments) or from November onwards (second semester enrolments).
Students should add contact@powow.grenoble-em.com to their email contact preferences and check their spam inbox.
- **Save the date to attend one of the [Welcome Sessions](#) to organize their arrival in France accordingly:** Monday August 28th or Wednesday August 30th. Every session is a two-day program; Monday to Tuesday or Wednesday to Thursday in the mornings.
- **For more information,** students can consult the [International Student Integration “ISI” Service page](#).

Disclaimer :

- Reserving housing independently without the guidance of GEM ISI Service may lead to an unsatisfactory experience. Our help aims to ensure that students find safe and suitable accommodation for their student lifestyle.
- Once accommodation is reserved through the school housing platform, students will be able to request a housing certificate necessary for the visa application. GEM cannot provide you with this certificate as the School does not have its own student residence or dormitory.

Visa applications can take up to 3 months, students need to start this process as soon as possible. We recommend students to consult the official French [visa wizard](#) to help them identify whether they require a student visa and know to which consulate they should submit their application. It is also advisable to contact your local [Campus France](#) agency for guidance in the visa application process

Students with a disability benefit from special arrangements and personalised support to facilitate their education and professional integration. To this end, a file must be filled out and submitted to the dedicated service upon entering GEM.
