Language of Instruction	All courses are taught in English except for foreign language classes.
Courses	Exchange students can only enroll in undergraduate courses offered in the College of Arts & Sciences and the School of Management. <i>NOTE: Dual-Degree Teacher Program and other special programs are NOT offered to exchange students.</i> Most USF courses are offered at 4 credits each and most exchange students enroll in 3 to 4 courses (12 - 16 credits) per semester. Spring 2027 courses will be available late October or early November: http://myusf.usfca.edu/onestop/registration/class-schedule-final-exams For course catalog information: http://www.usfca.edu/catalog/

	IMPORTANT ADVICE: <i>USF does not reserve nor guarantee courses for exchange students. It is advised to have flexibility to enroll in alternative courses as USF courses are never guaranteed due to unmet prerequisites, over-capacity, time conflicts and class cancellations. Courses in Advertising, Architecture, Business, Computer Science, Kinesiology, and Psychology are increasingly impacted and become unavailable to exchange students. Exchange students will be assigned a USF Academic Success Coach who will assist with class registration and all academic issues throughout their time at USF.</i>
USF Student Housing and Accommodations	On-Campus housing descriptions and application information can be found here: https://myusf.usfca.edu/housing. Exchange students cannot begin the USRooms online housing application until they have been assigned their USF ID and username. Housing assignments are based on availability and some residence halls are reserved for specific USF student populations such as first year students, sophomore students, and graduate students only. Important Notice: A standard meal plan is required for most university housing. For housing and board costs: https://myusf.usfca.edu/billing-tuition/room-board-rates Exchange students who need housing accommodations are advised to indicate the need for a disability related accommodation by answering the question on the housing application. Exchange students must contact USF's Student Disability Services to complete the intake and eligibility process to request a housing accommodation; answering the housing application question will not initiate the process. To learn more about the types of housing accommodations please visit: https://myusf.usfca.edu/housing/residents/accommodations PLEASE NOTE: Exchange students can choose to find independent off-campus housing instead of USF student housing.
