UNIVERSITY OF MINNESOTA

PROGRAMS FOR VISITING INTERNATIONAL STUDENTS

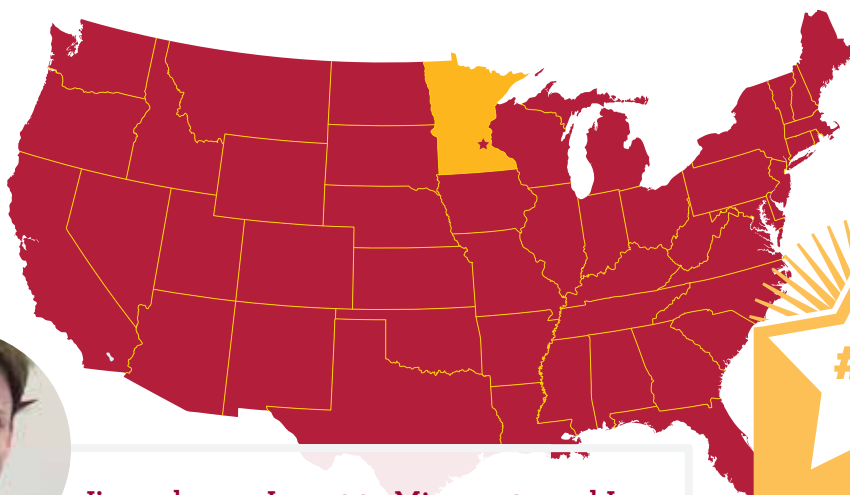

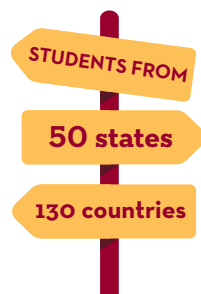

GO Minnesota

UNIVERSITY OF MINNESOTA

FAST FACTS

GO MINNESOTA offers semester, summer, and short-term study options for visiting international students at both the undergraduate and graduate levels. Students are fully integrated into classes with University of Minnesota students.

I'm so happy I went to Minnesota and I would do it again on the spot! I'm 100% sure I would not have had a better time in Florida, California, or anywhere else.

— JULIUS, GERMANY

WHY THE UNIVERSITY OF MINNESOTA?

Reputation.

We are ranked as a Top 10 U.S. public research institution by the Academic Ranking of World Universities. We offer more than 135 areas of study, award-winning faculty, and state-of-the-art facilities.

Location.

We are located in the Twin Cities of Minneapolis and St. Paul, a major metropolitan area that features an international airport, convenient transit, award-winning arts, professional sports, and a culturally diverse community.

Connection.

We provide personal service and connect our students with what matters most to them: academic support, cultural activities, jobs on campus, student groups, housing, and more.

Accounting
Business Law
Finance
Human Resources and Industrial Relations
Information and Decision Sciences
Insurance and Risk Management
International Business
Management
Marketing
Public and Nonprofit Management
Supply Chain and Operations Management

College of Biological Sciences (CBS)

Biochemistry
Biology
Ecology, Evolution, and Behavior
Genetics, Cell Biology, and Development
Marine Biology
Microbiology
Neuroscience
Plant Biology

College of Continuing and Professional Studies (CCAPS)

Construction Management
English as a Second Language
Health Services Management
Manufacturing Operations Management

College of Design (CDes)

Architecture
Fashion Studies
Interdisciplinary Design
Interior Environments
Landscape Design and Planning
Retail Merchandising

College of Education and Human Development (CEHD)

Business and Marketing Education
Early Childhood Education
Elementary Education
Family Social Science
Human Resource Development
Kinesiology
Physical Education
Recreation Administration
Special Education
Youth Studies

College of Food, Agricultural, and Natural Resource Sciences (CFANS)

Agricultural Education
Agricultural Communication and Marketing
Agricultural and Food Business Management
Agronomy and Plant Genetics
Animal Science
Applied Economics
Entomology
Environmental Sciences, Policy, and Management
Fisheries, Wildlife, and Conservation Biology
Food Science and Nutrition
Food Systems
Forest and Natural Resource Management
Horticulture
Plant Pathology
Sustainable Systems Management

I think I would never be so fluent in English or able to get into Yale for graduate school without my experience in Minnesota.

- PRAIRIE, CHINA

College of Liberal Arts (CLA)

African American and African Studies
American Indian Studies
American Studies
Anthropology
Art
Art History
Asian American Studies
Asian Languages and Literatures
Biology, Society, and Environment
Chicano Studies
Cinema Media Culture, Studies in
Classical and Near Eastern Studies

Foreign Languages: Arabic, Chinese, Dutch,
Finnish, French, German, Greek, Hebrew,
Hindi-Urdu, Hmong, Italian, Japanese, Korean,
Latin, Norwegian, Ojibwe, Portuguese,
Russian, Somali, Spanish, Swahili, Swedish
Gender, Women, and Sexuality Studies
Geography
Global Studies
History
Jewish Studies
Journalism
Law
Linguistics
Music
Philosophy
Physiology
Political Science
Psychology
Public Health
Religious Studies
Scandinavian Studies
Sociology
Speech-Language-Hearing Sciences
Statistics
Technical Writing and Communication
Theatre Arts
Urban Studies

#9

**U.S. Public Research
University (ARWU)**

College of Science and Engineering (CSE)

Aerospace Engineering and Mechanics
Astronomy
Bioproducts and Biosystems Engineering
Chemistry
Civil, Environmental, and Geo-Engineering
Computer Science
Earth Sciences
Electrical and Computer Engineering
History of Science and Technology
Industrial and Systems Engineering
Materials Science
Mathematics
Mechanical Engineering
Physics
