**Social  
and  
multicultural  
learning  
experience**

Live lectures will be delivered from **1.30pm to 6.30pm (CET)** - inclusive with all time zones.

Students can register up to **30 ECTS**, but they will be able to register less ECTS.

**Deusto Methodology** implies a combination of **virtual lectures** with personal work such as **readings, individual and group exercises, networking**, etc.

**Assessment** will include individual and group **activities and assignments**, among others.

All students will receive a **Transcript of Records** after the completion of the study.

## Cultural and Networking Activities

Distance Learning will be complemented by participation in **Virtual Events** with University Community

Students will be able to engage in **cultural virtual activities**.

### Deusto Virtual Buddy Programme

Students will have the chance to be assigned a **Deusto Virtual Buddy**, who will bring the student closer to the Deusto Community and offer support during the virtual exchange.
